

## **Instructions for Early Starters of the Megan Pledge**

Thanks for expressing your interest in getting a head start on the Megan Pledge. Our goal is to have 1,000,000 young people take the Megan Pledge by the end of the year. We are in the process of developing an official web site with detailed guidelines and instructions, but it's not necessary to wait and your willingness to be a leader will help us meet and surpass that goal.

This material will help you get your program underway before the official package is available. In here you will find:

### **The Megan Pledge Overview.pdf**

### **MegansPledge.pdf**

### **Megan-Ribbon.jpg**

This is an image of the ribbon that pledge takers can wear. The significance of the polka dots is that they were a favorite of Megan's. It can also be posted on websites and profiles. Facebook, Xanga, Bebo and Tagged are all going to be working with us to promote the pledge.

### **Ribbon Instructions.pdf**

Simple instructions of how you can create ribbons from material easily obtained from any craft store. Creating the ribbons is a great project to get students involved.

How you go about running your school's campaign is up to you. Just be sure to send your completed pledges to Parry so that they can be added to the roster. Identifying your school, the adults supervising the project and anything special you are doing is essential.

We want to show off how much you and your students care. Help us do that with pictures and videos.
